

140 Lachlan Street COWRA NSW

3 3 2

You will love this 3 bedroom brick home with 3 bathrooms, rumpus room, large east facing living area with access to the eastern facing front balcony. the kitchen and dining room flow lovely with the living area and the main bathroom and adjacent 2 bedrooms are well designed and are located on the south east area of the home. The main bedroom with built-in robes and ensuite is at the front southern side of the home and provides plenty of space as the master suite. Down stairs is the double garage laundry room, 3rd bathroom and rumpus room completing the home package.

The well manicured gardens and enclosed back yard complete the property on a 879m2 block.

Located in a central location within walking distance of high School, primary School and Day-care Centres
